Re: Eddystone Generating Station  
NPDES Permit PA0013714  
Comments on Draft NPDES Permit

Dear Ms. Abraham:

Exelon Generation Company, LLC ("Exelon") appreciates this opportunity to provide comments on the Draft Permit and Fact Sheet prepared by the Pennsylvania Department of Environmental Protection ("Department") for the renewal of Eddystone Generating Station's National Pollutant Discharge Elimination System ("NPDES") Permit (Permit Number PA0013714). Enclosed are Exelon's comments on the Draft Permit.

Exelon thanks the Department for its effort in reviewing the application and for taking into consideration comments previously provided on the Pre-Draft Permit and Fact Sheet. If you have any questions regarding the enclosed comments, please contact Amy M. Hetherington at 267-533-1149 ([Amy.Hetherington@exeloncorp.com](mailto:Amy.Hetherington@exeloncorp.com)), Joseph M. Kuklinski at 610-662-2514 ([Joseph.Kuklinski@exeloncorp.com](mailto:Joseph.Kuklinski@exeloncorp.com)), or Robert M. Matty, Jr. at 610-247-8703 ([Robert.Matty@exeloncorp.com](mailto:Robert.Matty@exeloncorp.com)).

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William Swahl", written over a horizontal line.

William Swahl  
Vice President, Operations
